

NEW ENGLAND COLLEGE BASEBALL CAMPS/SHOWCASES 2024 (Updated 7/1/24)

New Hampshire American Legion Baseball wishes to support their players who have the talent, and help them get the opportunity not only to get a college education but also have a chance to play college baseball. One way we try to achieve this is to host our annual College Baseball Showcase. Another way we can help, is to support New England College Baseball programs and promote their own College Prospects Camps.

This page will be dedicated to listing the links to college baseball prospect camps. We have let all the coaches we have on our email list know that we support them and if they send us information about their camps, we will help promote them on our Website, Facebook Page and Twitter Account.
